Musical Praise Service Today at Presbyterian

ity of the ideal left by these living

MRS. NORMAN ATKINSON. The services today in the First The services today in the First Presbyterian church will be largely devoted to musical selections of Thanksgiving praise. For many years this has been the custom in this church and this year the musicians promise a day of real merit. The morning services will present instrumental praise numbers as follows:

Plano, "Old Refrain," (Kreisler); "Marche Pontificale," (Gounod)—Miss Martha Coleman.

Violin trio, "intermezzo," (Mascag-nie), "Ava Marla," (Gounod); "The Perfect Day," (Bond)—Misses Vinette Parry, Marva McBride, Dorothy Nich-

The evening hour will be largely of their sons. What could musical in nature, Mrs. Norman J. Atwithy of our reverence and

simplify supervision and control.

The hearing at which the proposed consolidation of railroads affecting Idaho and the northwest will be discussed, will be held sometime during December at either Spokane or Fort-land, at the convenience of the commissioner who hears the case.

AMBRINE TREATMENT PROVING SUCCESS

C: Y Reed and his 10-year-old daughter, Gene Reed, burned in an explosion at the residence of Reed, 1951 Grant avenue, on November 21, were reported as resting easily at the home yesterday.

Both the father and the girl will recover from the burns without any scars, Dr. Roy H. Wilson said, under whose supervision the ambrine treatment was applied by members of the fire department.

fire department.

There are a number of other cases of persons suffering with minor burns that are daily receiving the ambrine treatment at the fire department under the supervision of Dr. Wilson, city and county physicias.

LIST PRODUCTION OF WYOMING COAL

WASHINGTON, Nov. 25.—Wyoming produced 7,200,666 tons of coal during 1921, valued at \$22,358,590, tables compiled by the United States geological survey show Exclusive of the product of wagon mines, this output was valued at an average of \$3.24 per ton throughout the state. The industry employed \$.484 per-

sons about the mines, of which about 7,000 were working in underground passages. The average number of orking days throughout the state

YOUR DAILY BREAD -- BUTTERNUT --

> Selection of flour is one important factor in the making of Butternut Bread. Purity is, of course, the prime essential; then, food value; then, uniformity. The flour from which Butternut Bread is made possesses all of these qualities in the highest degree. And when combined with the other pure food materials this flour makes the finest bread that can be bought -Butternut.

OGDEN BAKING CO.

"UTAH'S FINEST BAKERY"

Next Wednesday we will tell you about other ingredients of Butternut Bread

--- made from selected apples

First, the apples are carefully selected—the entire harvest of one of Ogden's largest orchards was purchased and shipped in car loads to our factory. Then they were carefully washed, and pressed under unusual sanitary conditions. The pure Juice-a combination of WINESAP. BLACK TWIG and JONA-THANS makes Becker's CIDER flavor positively superior. Try Becker's now.
